Junior Lifeguard Program

Prerequisites: Swim front crawl 25 yards continuously with breathing, tread water for 1 minute, submerge and swim distance of 10 feet underwater. The Junior Lifeguard program is designed to guide youth to the American Red Cross lifeguarding program by building a foundation of knowledge, attitudes and skills for future lifeguards. This foundation consists of five categories: Prevention, Fitness, Response, Leadership and Professionalism. The program does not give participants the information and skills required to be a certified lifeguard. The program will introduce the skills needed for entry to the Lifeguard Training Course, communication and decision making skills and the basic responsibilities of a lifeguard. This is a training program designed for those interested in working towards becoming a certified lifeguard.
